Environmental Protection Agency IPC Licensing Received 13 JAN 2005 Initials _____

Observation to:

IPC Licence Application by Shell E & P Ireland, Bellanaboy Bridge Gas Terminal

Dear Sir/Madam,

We attach a copy of Shell Exploration & Production letter for application for *"an Integrated Pollution Prevention and Control (IPPC) Licence for the Bellanaboy Bridge Gas Terminal"*

Right through the application letter and documentation the applicant refers to and describes the project as a 'gas terminal'.

We wish to point out to you that it is NOT a gas terminal but a GAS REFINERY.

We would like to point out to the applicant and the EPA that contrary to the information supplied, there is no permission of any sort of a discharge pipeline and the reason for this is that the developer has never applied for permission to construct a discharge pipeline, which nowhere in the planning act or regulations is stipulated as exempt development.

Yours sincerely,

Peter Sweetman and on behalf of
Monica Muller, Rosspoint, Ballina, Co. Mayo
And
The Irish Heritage Trust, Allihies, Co. Cork

PM Project No: 010159-05
Document No: 010159-22-RP003

Dear Sir/Madam

Please find attached application for an Integrated Pollution Prevention and Control (IPPC) Licence for the Bellanaboy Bridge Gas Terminal.

Please find attached the following:

- Two hard copies of IPPC Application - one signed original and one copy
- One electronic copy of IPPC Application on CD-Rom
- Electronic copy of air dispersion modelling files (included on CD-Rom)
- Two hard copies of Environmental Impact Statement (EIS)
- Fifteen electronic copies of EIS on CD-Rom

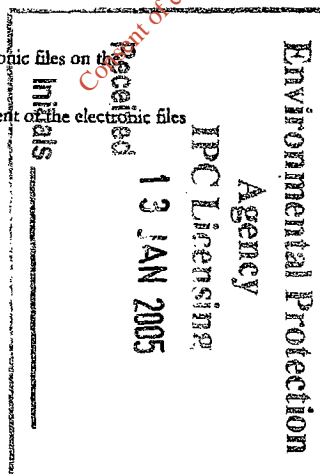

With respect to the IPPC Application we confirm that the content of the electronic files on the accompanying CD-ROM is a true copy of the original application form.

With respect to the Environmental Impact Statement we confirm that the content of the electronic files on the accompanying CD-ROM(s) contains a true copy of the original EIS.

Yours sincerely

Gerry Costello
Project Director
