REF. 1702

To Whom it CONCERNS,

Do not give L.C.C. a LICENSE For a
NEW Dump in Gortnadhoma.

It will bring it closed to my
Family home Farm. It has ALREADY DEVALUED
my property. I WAS NOT ABLE to build A HOUSE
ON THE LAND, which has BEEN IN Family For
4 GENERATION'S.

The L.C.C. has NOT proved THAT there
is NOT a GRAVEL QUIFER UNDER the LAND, ??
which IF THERE IS ROVIT. DOES NOT ALLOW dumps
to BE built ON SAME.

WE HAVE put up 2 NUISANCES FOR THE LAST 14 yrs
do NOT MAKE us HAVE to put up 2 SAME FOR ANOTHER 20 yrs

I hope you will READ the ORAL HEARING
WE AD 2 AN bond PLEADALA.
