REF. No. 78/2

Dear Ms. Vaughey,

I refer to your letter of 24th March 2004 to the CEO of the Mid-Western Health Board regarding the waste licence application from North Tipperary County Council at Ballaghveny Landfill, Ballymackey.

The Environmental Health Service has received a copy of your notification to Dr. Stiofan De Burca, C.E.O. We are concerned about the proposed increased sludge disposal contra to the original licence and would like to have the opportunity to make an informed comment on it. I would request a copy of the full licence application and the Environmental Impact statement (78-02) and the original decision for licensing the activity with any conditions (78-01).

Yours sincerely,

Mr. Frank Gleeson,
Principal Environmental Health Officer
