RE: Seamus Kelly & sons: Application for Waste Licence

Dear Ms. Vaughey,

I refer to your letter of 5th March 2004 which I have referred to the Director of Services (Environment), Mr. Kieran O'Brien for comment and reply.

Please note that the staff structure in Wexford County Council changed considerably some three years ago, under Better Local Government.

The responsibilities of the Director of Services, for which attached correspondence should be marked, are detailed in our website: www.wexford.ie Perhaps you would arrange for your administrative staff to update your records as appropriate.

I am sure the other Local Authorities would also be pleased to assist you in this regard.

Yours faithfully,

**Niall McGuigan
Director of Infrastructure &
Emergency Services**
