Waste Licence application

Ref. 167-1

Indvader Ireland.

Dear Sir

I would like to appeal as an observer of the no Incineration Alliance Co against the Meath Co Council granting Planning Permission to Indvader Ireland for Waste Management Facility and

Incineration at Caranstown Duleek Co Meath.
(Planning application No 01/4014)

I am living here all my life putting an incineration a few hundred yards from my home, is grossly unfair, already we have Cement Limited and the de proposed Marthon Plant, The traffic will increase greatly, also the fumes.

Finally I request written acknowledgement of this letter to be sent to the above address.
