WASTE LICENCE FOR PROPOSED WASTE
MANAGEMENT FACILITY, CARRANSTOWN,
LODGED BY INDAVER STIZOI, DUKER, Co Meath
WASTE LICENCE APP Ref 167-1

Dear Sirs,

I wish to object to building
of ~~above~~ as there will be
no 1 - Toxic pollution affecting
us humans and our food chain
through the land, cattle etc.

2 Toxic Ash cannot be disposed
of without further pollution.

3 We MUST recycle and aim to
have ZERO WASTE.

4 A SMALLER LAND FILL SITE MAY BE
NEEDED but will be a safer alternative
to an INCINERATOR
Yours faithfully
John McGrath
