Dear Sirs,

Re: Proposed Incineration Plant - Carranstown, Duleek, Co. Meath.
Indaver Ireland.

Please advise if you have received a Integrated Pollution Control (IPC) application from Indaver Ireland and if so, the date of it's receipt at your office, the time allowed for the lodging with you of objection to the application and particulars relating to the agency's advertising of receipt of the application.

In recent years we have been concerned at the lodging by multinationals of applications to statutory bodies immediately before the Christmas/New Year holiday periods which would seem to have no other purpose than to avoid notice by the public and to restrict the time available to possible objections by the inclusion of public holidays within the prescribed time allowed for the lodging of appeals against the proposed development.

Yours faithfully,
For Louth/Meath Health Protection Group,

Frank McCormack, Treasurer.
