Re: INDAVER IRELAND INCINERATOR PLANNING PROPOSAL

Planning Application File Number 014014

Location of Development:  
Carranstown,  
Duleek,  
Co. Meath.

Reg No. 167-1

With reference to the above planning proposal I wish to make an appeal on the application made by Indaver for an IPC License for the following reasons:

- > Area is contiguous with an area of extreme vulnerability
- > Pollution worries with regard to water + air
- > leading to health issues, sickness + increased chances of newborns health being damaged
- > Concerned with regard to disposal of the waste from incineration
- > Concerned with regard to ongoing testing/monitoring of the plant(s)

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.

Signed Amanda O'Connor
