Re: **INDAVER IRELAND WASTE APPLICATION** Reg No. 167-1

Location of Development: Carranstown, Duleek, Co. Meath.

With reference to the above, I wish to object to the application made by Indaver for a waste license for the following reasons:

- a) the health risks, especially cancers, due to the emissions from the incinerators.
- b) incineration should be a last option yet it has been given the go ahead while recycling facilities are most inadequate.
- c) this development would be contrary to the Development plan of Meath County Council

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.

Signed Gráinne Cronin
