Re: INDAVER IRELAND INCINERATOR PLANNING PROPOSAL

Planning Application File Number: 01/4014

Location of Development:
Carranstown,
Duleek,
Co. Meath.

With reference to the above planning proposal, I wish to make an appeal on the application made by Indaver for an IPC License for the following reasons:

The proximity to Scailcholmille Mount
Hanover, as our son has active allergies
already this incinerator will cause untold
damage to his health as this has
been proven all over Europe. The fact
that there are no testing facilities
is a major concern to everyone
living in the surrounding area.

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.

Signed Paula Byrne
