Re: INDAVER IRELAND INCINERATOR PLANNING PROPOSAL

Planning Application File Number: 01/4014

Location of Development:
Carranstown,
Duleek,
Co. Meath.

With reference to the above planning proposal, I wish to make an appeal on the application made by Indaver for an IPC License for the following reasons:

Health and Safety, Proximity to
Maunthoroney National School less than 1 km
Pollution to air, water, food industry,
rural and farming, Congestion to and from site
testing facilities - where would the
toxic ash go? The EMISSIONS and also
the damage to tourism and local business

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.

Signed G. O'Shaughnessy
