Re: INDAVER IRELAND INCINERATOR PLANNING PROPOSAL

Planning Application File Number: 01/4014

Reg No. 167-1

Location of Development:
Carranstown,
Duleek,
Co. Meath.

With reference to the above planning proposal, I wish to make an appeal on the application made by Indaver for an IPC License for the following reasons:

MY 8 year old son attends Scoil Cholmáille
MOUNT MANAVER, Duleek. I am very concerned
about the emissions from the proposed
INDAVER PLANT AT CARRANSTOWN.
We also live within this area and I
feel the introduction of the INDAVER PLANT would
place toxins levels in this area (including cement
roadstone) ABOVE WHAT IS ACCEPTABLE FOR ANY
COMMUNITY.

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.
