Re: **INDAVER IRELAND INCINERATOR PLANNING PROPOSAL**

Planning Application File Number: 01/4014

Location of Development:
Carranstown,
Duleek,
Co. Meath.

Reg No 167-1

With reference to the above planning proposal, I wish to make an appeal on the application made by Indaver for an IPC License for the following reasons:

My son is an 8 year old boy who attends the
Boil Cholmcille. Mervin Hanover, Duleek, which
is about ONE KM from the proposed application. I
am very concerned for the childrens health due
to emissions from this plant. The IRISH CEMENT LTD
PLATIN is there & I feel that this new plant would
make a bad situation even worse. The people of this
beautiful area have already DON'T TAKE THE BIT by contending
with the cement works. Think of our childrens health.

I would appreciate a written acknowledgement of this letter, and confirmation that
my objection is a valid one. ^{THANK YOU}
