Re: INDAVER IRELAND WASTE APPLICATION Reg No. 167-1

Location of Development: Carranstown, Duleek, Co. Meath.

With reference to the above, I wish to object to the application made by Indaver for a waste license for the following reasons:

Unacceptable levels of dioxin emissions, particularly when combined with those from existing cement works.
Presence of a valuable local Aquifer Reserve under/adjacent to proposed site which could be seriously affected by proposed incinerator.
The location of the proposed development is in a rural green belt not zoned for development.

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.

Signed Patricia Geary
