Re: INDAVER IRELAND WASTE APPLICATION Reg No. 167-1

Location of Development: Carranstown, Duleek, Co. Meath.

With reference to the above, I wish to object to the application made by Indaver for a waste license for the following reasons:

we do not have the ability to test for dioxins in this country. Therefore samples will have to be sent abroad. Thus any problem that exists may not be detected for several weeks. I find this threat to my health and that of my family unacceptable.

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.

Signed Michelle McPeake
