Re: INDAVER IRELAND WASTE APPLICATION Reg No. 167-1

Location of Development: Carranstown, Duleek, Co. Meath.

With reference to the above, I wish to object to the application made by Indaver for a waste license for the following reasons:

- ① THE Area is 'contiguous with a site of extreme vulnerability'
- ② Proximity and visual impact relative to Newgrange, World Heritage site.
- ③ The existence of the Cement Co. Cement factory in this area already.
- ④ Contamination dangers to the environment from dioxins and waste ash disposal.
- ⑤ increased traffic on nearby roads due to lorries bringing waste.
- ⑥ No confidence in Indaver to run and regulate an incinerator properly in this area.

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.

Signed Paul Kavanagh
