Re: INDAVER IRELAND WASTE APPLICATION Reg No. 167-1

Location of Development: Carranstown, Duleek, Co. Meath.

With reference to the above, I wish to object to the application made by Indaver for a waste license for the following reasons:

1. No guarantee of a non-hazardous incinerator.
2. Roads & infrastructure not suitable in this area to accommodate such a plant.
3. Risks too great to human health.
4. Area has enough industry & emissions from existing factories are high & risks from this plant would be too great.

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.

Signed Anne Eagleton
