Re: INDAVER IRELAND INCINERATOR PLANNING PROPOSAL

Planning Application File Number: 01/4014

Reg No. 167-1

Location of Development:
Carranstown,
Duleek,
Co. Meath.

For inspection purposes only.
Consent of copyright owner required for any other use.

With reference to the above planning proposal, I wish to make an appeal on the application make by Indaver for an IPC License for the following reasons:

The area the incinerator will be built on is contiguous with a site of extreme vulnerability with reference to a map at the Department of Geology.

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.
