Re: INDAVER IRELAND WASTE APPLICATION Reg No. 167-1

Location of Development: Carranstown, Duleek, Co. Meath.

With reference to the above, I wish to object to the application made by Indaver for a waste license for the following reasons:

- There is NO guarantee that the incinerator will remain within any emission limits.
- E.P.A. has limited ability to analyse chosen emissions.
- NO WASTE SEGREGATION, NO GUARANTEE OF NON-HAZARDOUS BURNED BURNED!!
- NO WAY OF MONITORING DIOXIN IN FOOD CHAIN.
- FURTHER RESERVE COULD BE CONSUMED.
- WHERE WILL HAZARDOUS TOXIC ASH BE STORED?

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.

Signed Tony Conaghy
