Re: INDAVER IRELAND INCINERATOR PLANNING PROPOSAL

Planning Application File Number: 01/4014

Location of Development:  
Carranstown,  
Duleek,  
Co. Meath.

Reg No. 167-1

With reference to the above planning proposal I wish to make an appeal on the application made by Indaver for an IPC License for the following reasons:

I wish to appeal on the grounds of Health  
My 3yr old daughter suffers from breathing  
difficulties and requires two type of inhalers  
a day. She had surgery last November in our local  
Hospital.  
A Incinerator in this area will make her  
condition worse - (I believe) and for other  
children with breathing difficulties - which is extremely  
high in this area

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.
