Re: INDAVER IRELAND INCINERATOR PLANNING PROPOSAL

Planning Application File Number: 01/4014

Location of Development:  
Carranstown,  
Duleek,  
Co. Meath.

Reg No. 167-1

With reference to the above planning proposal, I wish to make an appeal on the application made by Indaver for an IPC License for the following reasons:

THE EMISSION OF DIOXINS WILL CAUSE SERIOUS HEALTH RISKS TO THE PEOPLE LIVING IN THE AREA. WE ARE NOT A CHEMICAL FACTORY NEARBY RELEASING UNACCEPTABLE AMOUNTS OF DIOXINS. HOW CAN THIS POLLUTION BE PLACED BESIDE A WORLD HERITAGE SITE? HOW CAN THIS POLLUTION BE PLACED BESIDE A SITE OF EXTREME VULNERABILITY WHICH MUST SURVIVE BE UNACCEPTABLE TO YOU WHOSE MAIN JOB IS SUPPOSED TO BE PROTECTORS OF OUR ENVIRONMENT?

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.

Signed Mary A. Brady  
(MARY A. BRADY.)
