Re: INDAVER IRELAND INCINERATOR PLANNING PROPOSAL

Planning Application File Number: **01/4014**

Location of Development:
Carranstown,
Duleek,
Co. Meath.

With reference to the above planning proposal I wish to make an appeal on the application made by Indaver for an IPC License for the following reasons:

As I live within 2 miles from the proposed incinerator I am very concerned about health and the effects incineration will have on myself & my family. My children attend the local school Scoil Cholmille Mount Hanover which is less than 1km from Carranstown. We are also farming and we are aware that our livelihood maybe taken from us through incineration.

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.

Signed *Maurice Maguire*
