Re: INDAVER IRELAND INCINERATOR PLANNING PROPOSAL

Planning Application File Number: 01/4014

Location of Development:
Carranstown,
Duleek,
Co. Meath.

Reg. No. 167-1

With reference to the above planning proposal I wish to make an appeal on the application make by Indaver for an IPC License for the following reasons:

I vacate in Drogheda 3-4 times a year.
I will not be coming back in the future, because
of the threat to my childrens health due to this
incinerator.

Note: There is no incinerators in Luxembourg
in Luxembourg we recycle just like the rest of Europe
incineration is being phased out

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.

Signed Mike Lander
