Re: INDAVER IRELAND INCINERATOR PLANNING PROPOSAL

Planning Application File Number: 01/4014

Reg No. 167-1

Location of Development:
Carranstown,
Duleek,
Co. Meath.

With reference to the above planning proposal I wish to make an appeal on the application make by Indaver for an IPC License for the following reasons:

Will we be safe living + going to school right beside
an incinerator?
Will you give a licence to Indaver who will pollute
my air, poison my food, damage our tourism, and
give us cancer?
Please dont, we are four and five years old. We
would like to live safely for a very long time
to come.

We would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.

Signed KATIE + JESSIE
