Re: INDAVER IRELAND INCINERATOR PLANNING PROPOSAL

Planning Application File Number: 01/4014

Reg No. 167-1

Location of Development:
Carranstown,
Duleek,
Co. Meath.

With reference to the above planning proposal, I wish to make an appeal on the application made by Indaver for an IPC License for the following reasons:

Risk to our young children,
Environmental pollution
My children will attend the school Mount
Manover. Can you guarantee me their
safety from health issues related to living
in close proximity to an incinerator. We already
have too much pollution in the area caused by
"Cement" + "Platin". An incinerator would just be absolutely
detrimental to the local population. Please E.P.A. do
not allow Indaver Ireland an I.P.C. licence for Carranstown.
I would appreciate a written acknowledgement of this letter and confirmation that
my objection is a valid one.

Signed Michelle M'Nulty.....
