Re: INDAVER IRELAND INCINERATOR PLANNING PROPOSAL

Planning Application File Number: 01/4014

Location of Development:
Carranstown,
Duleek,
Co. Meath.

With reference to the above planning proposal I wish to make an appeal on the application made by Indaver for an IPC License for the following reasons:

because I am 13 yrs old and I want to live a long and HEALTHY life but your incinerator will pollute the air, I breath for the rest of my life and I would like to be an ~~ast~~ athlete and if I breath in the polluted air, I will never get a Scholarship because I will be polluted inside and out.
I am afraid for my life.

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.
