Re: INDAVER IRELAND INCINERATOR PLANNING PROPOSAL

Planning Application File Number: 01/4014

Location of Development:
Carranstown,
Duleek,
Co. Meath.

With reference to the above planning proposal I wish to make an appeal on the application make by Indaver for an IPC License for the following reasons:

1/ Risk to health 2/ Emissions dangerous to health + the flora + fauna surrounding 3/ Pollution of our waterways and the air thus increasing the radius affected 4/ Our main source of income is farming and this will be affected by an incinerator 5/ Our children attend a school which is in close proximity to the proposed incinerator site and we would have to move them but to where? 6) Tourism which is a large source of income in this area will be negatively affected.

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.

Signed *John Stauffe*
