Re: INDAVER IRELAND INCINERATOR PLANNING PROPOSAL

Planning Application File Number: 01/4014

Location of Development:
Carranstown,
Duleek,
Co. Meath.

With reference to the above planning proposal, I wish to make an appeal on the application made by Indaver for an IPC License for the following reasons:

My children are attending Mount Harpover School. I also live in Duleek village and at the moment it is impossible to cross the main street to get to the shops without these extra lorries coming through our village. I think it is crazy putting an incinerator in a largely populated village such as Duleek.

I would appreciate a written acknowledgement of this letter, and confirmation that my objection is a valid one.

Signed *Barbara Flaherty*
