Dear Sir

**Re: Thermal Processing Plant of Carranstown Co Meath - Planning Application by
Indaver Ireland**

Concern has been expressed by Councillors in relation to this development. In particular the question was raised, should Newry and Mourne District Council have been notified being the first Local Authority in an adjacent jurisdiction.

It is our understanding that the proposed development is within a 40 mile radius of this authority.

I should be grateful for your response.

Yours sincerely

Thomas McCall
