Dear Mr Macken

Re:- Waste Licence Application – 167-1 – Indaver Ireland

Further to your recent conversation with Mr Brian Hanratty, I'd be most grateful if you could please host an information evening in Drogheda. The subject of the evening would be the EPA licencing procedure with regard to the proposed incinerator at Carranstown.

This is an issue of great local concern, therefore an information evening with a question and answers session would be gratefully appreciated.

I look forward to your response.

Kind regards

Frank McCormack
