Re: Planning Ref.No. : S/01/6215

Applicant: Indaver Ireland

Development : Construction of a Waste Management Facility. The proposed development comprises of a Waste to Energy Facility, a Waste Transfer Station and a Community Recycling Park and incorporates a Main Building, Turbine Building, Office Buildings, Sampling Building, Warehouse, Storage Tanks, Security Buildings, Electricity Sub-Station, Service Yards, Car Parks, Roads, landscaping and siteworks including Sewage Treatment Plants to treat sanitary effluent from the Facility.

Location : Ringasciddy, Co.Cork.

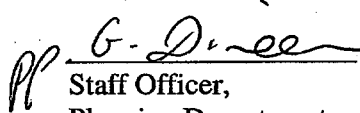

A Chara,

I refer to previous correspondence regarding the above. The Planning Authority has been notified by An Bord Pleanála that an appeal has been lodged against it's decision to REFUSE PERMISSION in this case. You may, if you wish, make submissions or observations in writing to the Board in relation to the appeal . Any such submission or observation must be made within the period of one month beginning on the day of receipt of the appeal by the Board or, where there is more than one appeal, on the day on which the Board last receives an appeal.

In a case where an Environmental Impact Statement has been submitted , any such submission or observation must be made within the period of one month beginning on the day of publication by An Bord Pleanála of notice of the appeal.

Any further correspondence should be addressed to An Bord Pleanála, 64 Marlborough St., Dublin 1, quoting reference PL 04.131196.

Yours faithfully,

  
Staff Officer,  
Planning Department
