Re: Reg No. 186 - 1

Oral hearing of the objections to the proposed decision of the Agency on a waste licence application by Indaver Ireland in respect of a proposed facility at Ringaskiddy, Co Cork

Dear Anna,

As I explained on the telephone to you earlier, CHASE has invited an expert witness to attend the Oral Hearing commencing next Monday, 14 February. This witness is free only on Monday, as he has other commitments the remainder of the week, and he is flying in from the UK in order to attend. It would be much appreciated by our group if his contribution to the hearing could be heard on Monday afternoon. I apologise for the short notice, but CHASE only received confirmation earlier this afternoon that this gentleman is available to attend.

Your assistance in this matter would be much appreciated.

Kind regards,

Joan Hayes
