Dear Sir/Madam,

I am writing to you to ask if a full investigation could be carried out by the O.E.E. at the CRH Roadstone site in Blessington.

3 illegal dumps have been found at this site and according to Wicklow county council there are no more illegal dumps on this site.

However it is widely rumoured that more dumps exist and that a full investigation has not been carried out on this site.

I am asking is the O.E.E satisfied that this site has been fully investigated and if not does it plan to carry out any investigation of its own.

I enclose a copy of a letter received by the Blessington and District forum for your perusal. This letter is also adding to the fear that this site has not been properly investigated and that the proposed remediation is flawed.

Yours Sincerely

Joe Mc Cormac P.C.
