RE. Roadstone waste licence Blessington
Application NO 213/1

Dear Sir,

I wish to object to the application by Roadstone
Dublin Ltd for a waste licence for the
remediation + storage of illegal waste on its
lands at Blessington Co Wicklow.

All waste on these lands is illegal, it should
be removed to a properly licenced facility.

This particular site is situated on an aquifer
servicing the people of Blessington and the
surrounding areas with drinking water.

In the E.I.S. statement Roadstone have
acknowledged that contamination of both ground
water and surface water has occurred.

The longer the illegal waste stays on site the
greater the risk to human health

Yours faithfully

Seamus Giffey
