Received 30 MAR 2005  
Roadstone Jubelin Str.

Waste licence in Blessington.

Initials CW

I strongly object to any waste in the illegal dump in Blessington being left in situ.

The waste was dumped there without permission & is contaminating the air & drinking water & possibly damaging a valuable aquifer.

The Co Council allowed a housing estate to be built near this dump. The residents struggle financially to buy their new overpriced houses because of this dump that they were not made aware of. Is there any sense of honour, fairplay, principle & decency left in Kildare Co Council  
Yours Sincerely

Mary Brennan
