Karen, Brid

Last week, I received from the Office of Licensing a copy of the Roadstone Dublin Limited "Certified Groundwater And Surface Water Quality Analysis Results -Q4-2004 (December)" that were received by the EPA on the 14 Feb 2005 from JBA. The covering letter to the EPA indicated that a digital copy of all the results up to Dec 2004 was also forwarded to the EPA on a CD. Would it be possible for the EPA to provide me with a copy of this CD. The electronic version of the results will make it easier to correlate the results.

Yours sincerely
