Dear Alison,

Further to your query regarding submissions for Roadstones Application, please note that people can make submissions on this application until the application goes to the board for a proposed decision. It usually takes a couple of months for the application to go to the board, unfortunately I cannot give you a date other than that. Submissions should be in writing and include names/address so that the Agency can inform them of decisions made on this application. The submission letter can be sent to the Agency by email at info@epa.ie

Hope this is of help to you. All submissions should be addressed to the Licensing & Control Section, (Waste), EPA, PO Box 3000, Johnstown Castle Estate, Co Wexford and the Application registration number for Roadstone is 213-1.

Regards,

Ann Bosley

Subject: Roadstone proposal for Landfill, Blessington Co Wicklow.

Hi,

My name is Alison Doyle and I am on the committee representing over 150 residents in the Woodleigh estate in Blessington. We are situated directly adjoined (within 5 meters) of one of the illegal dumps on Roadstones lands.

I would like some clarification on the latest possible date that a submission can be made by our residents in relation to the application by Roadstone.

The committee that I sit on will be making a submission after we study the EIS - this should be within the next week. We would like to advise residents on how / when to make their own submissions.

Will an e-mail to this address suffice ? Is there an online for that can be used to fill out as a submission ?

Thanking you for your help in advance,

Best Regards,

Alison Doyle.
