RE: Waste Licence Application 213-1 Roadstone Dublin Limited

Dear Sir/Madam

We refer to application by Roadstone Dublin Limited for Waste Licence for the Roadstone Dublin Remediation Landfill at Blessington, Co. Wicklow.

The site of the Roadstone Dublin Remediation Landfill lies within the catchment of the Poulaphouca Reservoir from which Dublin City Council abstracts water for drinking purposes.

I would be grateful if you could forward details of this application for comment by Dublin City Council.

Yours faithfully

Tom Kinirons
Senior Executive Engineer
