Re Planning Permission Organic Gold Wilkinstown  
Ref No 219-1.

Dear Sir / Madam

With ref to the above planning permission  
we object to the applications on the following  
grounds

• the foul smells which will be caused  
to the area

• the local school which our children attend is  
very close to the proposed plant

• extra volume of heavy goods vehicles going  
through Wilkinstown Village.

Yours Sincerely

Brandon O'Donoghue
