Environment Protection Agency,
Johnstown Castle,
Co. Wexford.

**Re: Application for Integrated Pollution Control Licence for
an Anaerobic Digester at The Deeps, Kilpatrick, Co. Wexford.**

To Whom It May Concern:

I refer to the above application for an E.P.C. Licence for an Anaerobic Digester on the Banks of the River Slaney

Please note that as a Public Representative in the area, I would have serious concerns over the location of the above in a high amenity area.

I would be obliged if you would please take the proposed location into account when making your decision in this matter.

Yours sincerely,

Cllr. Lisa McDonald M.C.C
