Ref. No: 739

Applicant: Quinn Therm Limited, Quinn Group, Derrylin, Co. Fermanagh

Dear Ms. O'Keeffe,

With regard to this application I note that a development is within one kilometre of Ballyconnell town and also that there is some rural dwellings in proximity of the development. One aspect of the application which should be adequately addressed is the risk to the general public from the inhalation of toxic fumes in the event of a major fire incident involving the finished product stored in the facility.

Yours sincerely,

Fergus Barry
