Dear Sir or Madam

I live at the above address with my children and am very worried about the decision to set up a Waste Collection Depot in the vicinity of Labre Park. This is because we already have a waste collection facility on the Killeen Road and as a result we are persecuted with rates and other vermin. The Killeen Rd depot is a direct line between the proposed new facility and our estate. I think this would build a natural trail between the three locations and I therefore wish to lodge my objection to the new proposal and to Dublin City Council's application for a waste licence.

Yours Respectfully

~~Bernadette Warren~~
