Re - The Proposed Civic Amenity at Labre Park Ballyfermot, Dublin P0

Dear Sir/Madam,

The Markiewicz Community Centre is a community development organisation and we object to the above proposal as we believe it to be anti-community development. This proposal is purely a commercial expedient and is contrary to the well-being of the population of Labre Park. We also believe that this proposal would not even be considered if its potential impact impinged on any other sector of our society.

Yours sincerely,

Theresa McGouran
