FARNS KILLURIN

Feb 8 2006

To Whom It May Concern:

It has come to our attention from the residents of Killurin and surrounding areas, from both individuals-committee members of - - - Crossbar/Killurin Community Group that is proposed to site an anaerobic digester at the site of the Killurin Piggy. We are concerned about this on the following grounds;

1. Location-i.e. Scenic and historic area.
2. Recreational Amenities-water sports, fishing etc.
3. Traffic- Volume of traffic.
4. Pollution groundwater.
5. Odour impact on the local community and environment.

Signed; Noel Keane
Chairman I.R.D.A.
Vincent Kennedy
Committee member.
