Mr. Sean O'Donoghue,
The Environmental Protection Agency,
Regional Inspectorate,
Inniscara,
Co. Cork.

RE: Planning Application ref. No. 03/723
IPODEC Ireland Ltd., Site at Six Cross Roads, Waterford.

Dear Sir or Madam:

I refer to the above application, which comprised alterations to the site boundary, the construction of a new vehicular entrance, relocation of the existing weighbridge, the construction of an open-sided shed and associated site works. The premises in question undertake activities which are subject for a Waste Licence. Waterford City Council in considering the application determined that the character and nature of the works proposed were enabling works related to the licensed activity already present on the site and as such an Environment Impact Assessment was not required.

Yours faithfully,

M. Walsh,
Director of Services
