Co. Wexford.

8th March 2006

Appeal Re: Retention of composting facility, completion of works, revisions of site layout, boundary and site entrance. Wilkinstown, Navan, Co.Meath.

Dear Secretary,

I have been asked by the Board to refer to the above-mentioned appeal and, in particular, to the Board's notice to you dated 16th December 2005 under section 126 of the Planning and Development Act, 2000, in which it was indicated that the Board intended to determine this appeal before 7th March 2006.

I regret to inform you that, due to an increase in workload, the Board will not now be in a position to determine the appeal before that date. In view of the delay involved in bringing this case to determination, priority consideration is being given to the case.

An Inspector's report has been received and the file is at Board level. Most cases are decided within a short period of their being formally considered for the first time at Board level. A target date of before 4th April 2006 has now been set within which to decide the case.

The delay involved is regretted.

Yours faithfully,

Mary Tucker
