OBSERVATION

Re: Register Reference 762 – Reenard Pig Farms Ltd.

Dear Sirs,

I wish to make an observation with regards to the above planning register.

I fully support the concerns of the Crossabeg/Killurin Community Action Group and would ask you to take into account the nine issues they raise in their objection.

These are real concerns of the people in the local area and need to be given every consideration.

With kindest regards.

Yours sincerely,

PAUL KEHOE TD
Fine Gael Chief Whip
