**Subject:** IPPC licence application Reg No 738

Dear Mr O'Brien,  
please confirm the date of applicant Shell E & P Ireland, Reg No 738, submitting further information to the EPA.  
Please confirm the starting date of the 8 week period within which the EPA is to decide the proposed determination.

The public has had no view or access to the information submitted.

I am confident that the EPA does not wish to appear to violate the public's right to participate in the process of this application or indeed any application made to the EPA by wilfully delaying access to the information and playing carelessly with dates of compliance.

Yours sincerely,

MONICA MULLER
