We moved to Castlemahan village in 1981
AND since then we have suffered from this HORRIBLE
STINCH coming from Castlemahan Foods, most times
we CAN NOT even open a window, we are ASHAMED
to ASK people to our house, we have 3 CHILDREN
who when they have school holidays can not go
out because of the smell, we have RANG
Castlemahan Foods on several occasions but have
only got the "Brush off"
