Re: **Waste Licence Review Application by Nephin Trading Limited, in respect of a facility at Kerdiffstown, Co. Kildare, Reg. No. 47-2**  
**Our Correspondence dated 29<sup>th</sup> March 2006**

Dear Sirs,

It is almost one month since our request for the Agency to withdraw its letter dated 23<sup>rd</sup> March and to reinstate our objection.

We are concerned that the Agency assessment of the application is continuing without regard to the grounds for objection that we raised and should be obliged if the Agency would confirm by return that no final decision will be made until after this exchange of correspondence is closed. Please be advised that we will rely on your delay to explain the time taken to institute proceedings, should this be required.

We note that our most recent correspondence is available from the Agency website and request the Agency to confirm whether the correspondence has been circulated for comment and, if so, to whom it has been circulated.

We look forward to your response to in early course.

Yours faithfully,

  
ARTHUR COX
